Frequently ask questions

♦ **Who is providing this service?**

Mid Ohio Mobility Solutions coordinates with regional transportation providers from your community. The call center staff is there to make your one call for transportation stress free.

♦ **How Does it work?**

Your call will be answered by a trained call center employee who will listen to your transportation needs and work to provide you a solution. Every solution is unique to the individual . The call center can make referrals, schedule trips or just give you options. The call center is available to all residents and organizations needing help with transportation options.

♦ **Is there a charge?**

There is no charge to call the call center for transportation help. By assessing your needs we can make sure that our transportation options are tailored to you.
