What are Area Agencies on Aging?

- ▶ Area Agencies on Aging were formally established in 1973 as part of the Federal Older Americans Act. Known as AAAs...we are intended to be the “on-the-ground” organizations charged with helping vulnerable older adults live with independence and dignity in their homes and communities.
- ▶ AAA9 was designated in May of 1975.

What AAAs Do.

- ▶ We create **choices** in how and where people receive long-term care.
- ▶ We **advocate** for systemic changes that improve the lives of older adults.
- ▶ We are a **resource** for older adults and their caregivers.

PASSPORT

Pre-Admission Screening System Providing Options and Resources Today.

- ▶ PASSPORT is a Medicaid Waiver program that helps eligible Ohioans get long-term services & supports to stay in their homes and communities.
- ▶ PASSPORT is the biggest program within our agency.
- ▶ Helping older adults live independently!

PASSPORT

PASSPORT is a two-pronged program. The first part is a pre-admission screening during which interested consumers are screened by telephone to determine preliminary Medicaid eligibility and care needs. They are also provided information about the variety of long-term care options available.

The second part of PASSPORT is home care. Once a consumer is determined eligible a case manager works with him or her to develop a package of in-home services to be provided by local service providers. The case manager then monitors the care for quality and changes the care plan, as necessary.

The Potter Davis Company

The building was first built in 1897 and was destroyed by fire in 1902. It was rebuilt and expanded in 1905 (that's why it has 2 addresses).

The building housed the Potter Davis Dry Goods Store for many decades.

Bought out by Bonham's in the 1970s, the store continued to operate until closing several years later
