Exhibit C: SFY 2024 Regional Coordinated Public Transit/Human Services

Transportation Planning Pilot Program Budget

This work plan was funded in part through grants from the Federal Highway Administration, Federal Transit Administration. U.S. Department of Transportation, and the Ohio Department of Transportation. The views and opinions of OMEGA expressed herein do not necessarily state or reflect those of the U.S. Department of Transportation or the Ohio Department of Transportation.

### Resolution - OMEGA Board Approval

#### **RESOLUTION NO. 2023-02**

A RESOLUTION APPROVING THE WORK PROGRAM FOR OMEGA'S REGIONAL TRANSPORTATION PLANNING ORGANIZATION AND AUTHORIZING THE EXECUTIVE DIRECTOR TO EXECUTE AGREEMENTS AS REQUIRED.

WHEREAS, OMEGA's Regional Transportation Planning Organization (RTPO) includes the counties of Carroll, Columbiana, Coshocton, Guernsey, Harrison, Holmes, Muskingum, and Tuscarawas within OMEGA's district that are not part of a metropolitan planning organization; and

WHEREAS, OMEGA's Public Transit Human Services Coordinated Transportation Pilot Program includes all counties within OMEGA's district except Columbiana County; and

WHEREAS, the OMEGA RTPO is required to develop an annual Work Program consistent with federal and state regulations that discusses the transportation planning priorities and transportation related activities during the one-year period to include who will perform the work, the schedule, and the product(s) that will be produced; and

**WHEREAS**, the annual Work Program also includes the Public Transit Human Services Coordinated Transportation Pilot Program;

WHEREAS, OMEGA is requesting \$248,645 for the RTPO Work Program and \$111,652 for the Public Transit Human Services Coordinated Transportation Pilot Program for State Fiscal Year 2024; and

NOW, THEREFORE, BE IT RESOLVED by the Executive Board of OMEGA:

Section 1: That the Work Program for the RTPO for State Fiscal Year 2024 is approved.

**Section 2.** That the Executive Director of OMEGA is hereby authorized to execute an Agreement with the State of Ohio, Department of Transportation for this program.

Section 3. That the Executive Board hereby commits to providing \$27,627 which is 10% of the total cost of RTPO program in local matching funds as required. No local match is required for the Public Transit Human Services Coordinated Transportation Pilot Program.

**DATE:** March 28, 2023

Tiffany Swiger

Joel Day Secretary Absent

Ray Eyler Vice President

Domenick Mucci, Jr.

Treasurer

#### 1.0 Overview

The Ohio Mid-Eastern Governments Association (OMEGA) is organized as a Council of Governments pursuant to Section 167 of the Ohio Revised Code and is designated by the Appalachian Regional Commission as a Local Development District and by the US Department of Commerce, Economic Development Administration, as an Economic Development District. OMEGA is a collaborative body of member governments that serves as a facilitator between state and federal government agencies and local entities to provide opportunities in economic and community development through networking, education, planning, research, and allocation of resources. OMEGA's mission is to provide a pathway to enhance community and economic growth in the region.

On January 27, 2016, Governor John Kasich, pursuant to United States Code, Title 23, Section 135 (m), officially designated OMEGA as an Ohio Regional Transportation Planning Organization (RTPO). The OMEGA RTPO includes Carroll, Columbiana, Coshocton, Guernsey, Harrison, Holmes, Muskingum, and Tuscarawas Counties (see Map 1.1). Transportation planning activities in Jefferson and Belmont counties are provided by the Metropolitan Planning Organizations of Brooke-Hancock-Jefferson Metropolitan Planning Commission (BHJ) and Belomar Regional Council, respectively.

#### 1.1 <u>Transportation Planning</u>

In June 2020, OMEGA completed 2020 to 2045 Regional Transportation & Development Plan, which aligned goals and strategies across the entire organization by beginning the process to merge the Long-Range Transportation Plan with the Comprehensive Economic Development Strategy. Outlined in the Regional Transportation & Development Plan were the following goals:

- Preserve Regional Assets to Support Local Economies
- Increase the Safety of Regional Infrastructure
- Facilitate Economic and Community Development
- Develop & Maintain Regional Resiliency

The following RTPO Work Program outlines the activities and deliverables that will be undertaken by the Ohio Mid-Eastern Governments Association, hereinafter referred to as the AGENCY, in SFY 2024, which begins on July 1, 2023, and ends June 30, 2024. These activities will allow the AGENCY to meet the goals and objectives of the Regional Transportation & Development Plan.

The AGENCY's Work Plan will focus on short-term planning activities, monitoring amendments to the SFY 2024-2027 STIP, administering the RTPO Capital Allocation Program, database management, monitoring projects for inclusion into the Regional Transportation & Development Plan, technical services, grant writing for transportation system improvements, participation in statewide transportation planning activities, long-range corridor planning, special studies, development of performance measures, and continued development of transportation expertise.

MAP 1-1 - RTPO Planning Area

#### 1.2 <u>Coordinated Transportation Pilot Program</u>

The ODOT Office of Transit is developing Specialized-Transportation Planning Regions for the state with a focus on improved coordination of public transit and human service transportation services. These proposed regions were based on the existing MPO/RTPO map, as well as the eleven Area Agency on Aging Regions in Ohio. The ODOT Office of Transit selected the AGENCY for the rural pilot region which includes the following counties: Belmont, Carroll, Coshocton, Guernsey, Holmes, Harrison, Jefferson, Muskingum, and Tuscarawas. This is the same region as served by the Ohio Area Agency on Agency Region 9 and includes all of OMEGA's counties except Columbiana County (see Map 1-2). Excluding Holmes County, the other eight counties in the region are served, or partially served, by a transit agency. The AGENCY's pilot region is designated as Region 9.

The ODOT Human Services Coordinated Transportation (HSCT) Region Pilot project is an ongoing project to improve access and mobility by reducing duplication of service and creating efficiencies with strategic transportation planning relevant to public transit and human services transportation. The pilot project has several phases. The first phase of the project was to complete a regional coordinated public transit human services transportation plan for Region 9. This effort created a planning document that holistically looked at health and human service transportation as well as public transportation for the region; identified existing resources and the best way to leverage resources to fill gaps in service for the riding public. The AGENCY completed the Regional Coordinated Plan in December 2019 and provided an annual update to the plan in SFYs 2022 & 2023.

The next phase of this project, and the basis of this Work Plan, is the implementation of these planning efforts at a regional level. ODOT will be working directly with the AGENCY, MVRPC, and MORPC (the other agencies participating in this pilot) to incorporate the regional coordinated plan to make more strategic and effective funding decisions. This phase is crucial in testing the efficacy of the regional planning process to adequately identify unmet needs and strategies related to funding to remove transportation barriers in local communities.

Finally, this project will directly benefit the larger Mobility Ohio initiative that involves ODOT and ten other state agencies and implementing standardized policies and technology for Health and Human Service Transportation at a regional level. The other state agencies have agreed to testing the recommendations of Mobility Ohio within ODOT's two pilot regions, to determine viability with a larger, statewide implementation.

During the first year of this pilot program, OMEGA assisted five counties with the development or update of local coordinated plans. During the second year of the program, OMEGA in conjunction with the Regional Coordinated Council, transportation service agencies, other agencies and stakeholders, and the general public developed a regional coordinated plan. During the third year of the program, OMEGA began implementation of the Regional Coordinated Human Services/Public Transportation Plan, formalized the committee structure of the Regional Coordinated Council, and developed a new, centralized Steering Committee to address implementation challenges monthly.

In SFY 2024, OMEGA will continue to implement the Regional Coordinated Transportation Plan as part of the continuation of the pilot program, assist ODOT with reviewing 5310 and mobility management applications, begin the full rewrite to the Regional Coordinated Transportation Plan, and support the Mobility Ohio Pilot Project.

MAP 1-2 - Coordinated Transportation Planning Area

### 2.0 Transportation Work Program Subcategories

The AGENCY's SFY 2024 planning program will focus on the following ODOT RTPO Work Program Subcategories:

- ♦ 601: Short Range Planning
- ❖ 602: Transportation Improvement Plan
- ❖ 605: Continuing Planning Surveillance
- ❖ 610: Transportation Plan
- 615: Continuing Surveillance Procedural Development

- ❖ 625: Services
- 630: Participation in Statewide Planning
- ❖ 665: Special Studies
- ❖ 674: Transit
- ❖ 697: Transportation Program Reporting

The above Work Program Subcategories are based on the June 2022 RTPO Administration Manual, released by ODOT's Office of Statewide Planning and the SFY 2024 RTPO Program Initiation Letter. The AGENCY will incorporate several of the emphasis areas outlined in the initiation letter to include Access Ohio 2045, Walk.Bike.Ohio Implementation, Transport Ohio Implementation and Title VI and Environmental Justice into the appropriate work elements listed above. This section will outline the major work activities of all RTPO and support staff and the total budget per work element. Deliverables will be included within the major work activity tables, as appropriate. A detailed budget, with Direct Labor, Other Direct (non-labor) Costs, Indirect, and Fringe Benefits is included as Exhibit B for the RTPO and Exhibit C for the Regional Coordinated Public Transit Human Services Transportation Planning Pilot Program.

## 2.1 601: Short Range Planning

Short range planning activities will include the identification and analysis of near-term transportation problems/needs and the development of recommended solutions. The AGENCY has and will continue to focus on safety and active transportation and will continue to serve as a resource for active transportation and to evaluate and identify active transportation priorities.

| Activity   | Agency/Agencies  | Schedule        | Deliverable   |
|--|--|-----------------|---|
| Safety Planning: The AGENCY will participate in ODOT District Safety Review Teams and Fatality Review Boards.  | OMEGA, ODOT  | Ongoing         | N/A   |
| Safety Planning: Columbiana, Holmes,<br>Muskingum, and Tuscarawas are designated<br>Ohio Safe Communities. The AGENCY will<br>participate in each of these Safe Community<br>organizations.          | OMEGA, Local<br>Governments &<br>Agencies                              | Ongoing         | N/A   |
| Safety Report Update: The AGENCY will update a regional safety report annually to determine high risk crash locations throughout the region.   | OMEGA  | June 2024       | Updated<br>Regional<br>Safety Plan                    |
| Safety Studies: The AGENCY will identify high-risk crash areas to the ODOT Local Road Safety Program and participate in safety studies   | OMEGA, Local<br>Governments, ODOT                                      | Ongoing         | High Risk<br>Location<br>Maps                         |
| Assistance to Local Governments: The AGENCY will provide transportation planning services to local governments to develop, update, or implement local planning efforts.                              | OMEGA  | As<br>Requested | Short Range<br>Plans, Maps,<br>etc.                   |
| Safe Routes to School: The AGENCY will facilitate the development of at least two School Travel Plans.   | OMEGA, ODOT,<br>Local Governments,<br>and School Districts             | As<br>Requested | School Travel<br>Plans                                |
| Active Transportation Plan: The AGENCY will facilitate the development of an active transportation plan for the Village of Old Washington and the surrounding area.                                  | OMEGA, Village of<br>Old Washington,<br>East Guernsey Local<br>Schools | June 2024       | Active<br>Transportation<br>Plan                      |
| Consultant Services: The AGENCY will retain consultant(s) for traffic studies, trail planning, safety, or other transportation planning activities that the AGENCY's staff may be unable to provide. | Consultant   | As<br>Requested | Reports,<br>Plans, or<br>Other Scoped<br>Deliverables |

#### **Budget:**

| Fund Type                | Amount      |
|--------------------------|-------------|
| Federal Funds            | \$61,508.37 |
| State Funds              | \$7,688.55  |
| OMEGA (Local Matching)   | \$7,688.55  |
| Total Subcategory Budget | \$76,885.46 |
|                          |             |
| Direct Labor             | \$39,915.16 |
| Other Direct Costs       | \$1,800.00  |
| Leave                    | \$7,877.71  |
| Fringe Benefits          | \$14,158.64 |
| Indirect Costs           | \$13,133.95 |

# 2.2 <u>602: Transportation Improvement Program</u>

In conjunction with ODOT, the AGENCY will monitor changes, project delivery, and updates to the 2024 - 2027 Regional Transportation Improvement Plan (RTIP) and manage the RTPO Capital Allocation Program.

| Activity   | Agency/Agencies                   | Schedule         | Deliverable                         |
|--|-----------------------------------|------------------|-------------------------------------|
| The AGENCY will manage the RTPO Capital Allocation Program ensuring SFY funds are obligated in Ellis before June 30, 2024.                           | OMEGA, ODOT                       | June 30,<br>2024 | N/A                                 |
| The AGENCY will coordinate with ODOT to program the RTPO Capital Allocation Projects and modify plans as needed to incorporate.                      | OMEGA, ODOT                       | Ongoing          | N/A                                 |
| The AGENCY will monitor updates to the STIP and will continue to solicit projects from the AGENCY's members to include on the unfunded project list. | OMEGA, ODOT,<br>Local Governments | Ongoing          | Amendments<br>to RTIP, as<br>needed |
| The AGENCY will identify potential sources of funding for projects that are not currently programmed by ODOT.  | OMEGA, ODOT,<br>Local Governments | Ongoing          | N/A                                 |

## **Budget:**

| Fund Type                | Amount      |
|--------------------------|-------------|
| Federal Funds            | \$42,810.41 |
| State Funds              | \$5,351.30  |
| OMEGA (Local Matching)   | \$5,351.30  |
| Total Subcategory Budget | \$53,513.01 |
|                          |             |
| Direct Labor             | \$28,447.32 |
| Other Direct Costs       | \$0.00      |
| Leave                    | \$5,614.40  |
| Fringe Benefits          | \$10,090.79 |
| Indirect Costs           | \$9,360.50  |

## 2.3 <u>605: Continuing Planning – Surveillance</u>

The AGENCY will maintain basic data files or input to other aspects of the ongoing transportation planning process and will work collaboratively with other agencies on sharing transportation data. Due to recent staff turnover and the availability of more accurate data, the AGENCY's GIS Coordinator will develop an efficient, easy to use, updatable GIS database. This will better prepare the RTPO staff for current and future planning efforts.

| Activity   | Agency/Agencies                   | Schedule | Deliverable   |
|--|-----------------------------------|----------|---|
| Interactive Maps: The AGENCY will develop<br>and maintain interactive maps and serve as<br>the primary source for regional transportation<br>related data. | OMEGA                             | Ongoing  | Online GIS Webmaps or Webapps                               |
| Submit Traffic Count Data: The AGENCY will process and submit all collected traffic count data for inclusion in the statewide database.                    | OMEGA, ODOT<br>Traffic Management | Ongoing  | Processed<br>traffic data<br>in ODOT-<br>approved<br>format |
| Database Administration  | OMEGA                             | Ongoing  | N/A   |

#### **Budget:**

| Fund Type                | Amount      |  |
|--------------------------|-------------|--|
| Federal Funds            | \$11,246.61 |  |
| State Funds              | \$1,405.83  |  |
| OMEGA (Local Matching)   | \$1,405.83  |  |
| Total Subcategory Budget | \$14,058.26 |  |
|                          |             |  |
| Direct Labor             | \$7,260.68  |  |
| Other Direct Costs       | \$400.00    |  |
| Leave                    | \$1,432.98  |  |
| Fringe Benefits          | \$2,575.50  |  |
| Indirect Costs           | \$2,389.10  |  |

### 2.4 610: Transportation Plan

In SFY 2020, the AGENCY completed the 2020 to 2045 Regional Transportation & Development Plan. In SFY 2024, the AGENCY will continue to implement elements of the Regional Transportation & Development Plan and will continue to work with local governments and ODOT on updating the Priority Project List, project development and identification of potential funding sources to implement projects which will meet the goals and objectives of the plan.

| Activity   | Agency/Agencies                   | Schedule | Deliverable             |
|--|-----------------------------------|----------|-------------------------|
| The AGENCY will work with local governments and ODOT on project development and identification of potential funding sources.         | OMEGA, Local<br>Governments, ODOT | Ongoing  | N/A                     |
| The AGENCY will update the Transportation Project Priority List for inclusion in the Long- Range Transportation and Development Plan | OMEGA, Local<br>Governments, ODOT | Dec 2023 | Updated<br>Project List |

#### **Budget:**

| Fund Type                | Amount     |
|--------------------------|------------|
| Federal Funds            | \$3,057.10 |
| State Funds              | \$382.12   |
| OMEGA (Local Matching)   | \$382.12   |
| Total Subcategory Budget | \$3,821.25 |
|                          |            |
| Direct Labor             | \$2,031.36 |
| Other Direct Costs       | \$0.00     |
| Leave                    | \$400.91   |
| Fringe Benefits          | \$720.56   |
| Indirect Costs           | \$668.41   |

#### 2.5 615: Continuing Surveillance - Procedural Development

The AGENCY will continue to develop transportation planning expertise, techniques, and technologies through participation in seminars, workshops, conferences, and professional organizations.

| Activity   | Agency/Agencies | Schedule | Deliverable |
|--|-----------------|----------|-------------|
| <b>Training:</b> Develop transportation planning expertise by working with ODOT, other RTPOs and MPOs, and participation in training, workshops, and conferences.                          | OMEGA           | Ongoing  | N/A         |
| American Planning Association – Ohio<br>Chapter: Represent rural communities (and<br>RTPOs) as an at-large board member  | OMEGA           | Ongoing  | N/A         |
| Congress for the New Urbanism – Midwest Chapter: Advocate for and educate communities about the importance of walking/biking and the development of transportation networks for all users. | OMEGA           | Ongoing  | N/A         |

#### **Budget:**

| Fund Type                | Amount      |  |  |
|--------------------------|-------------|--|--|
| Federal Funds            | \$14,999.99 |  |  |
| State Funds              | \$1,875.00  |  |  |
| OMEGA (Local Matching)   | \$1,875.00  |  |  |
| Total Subcategory Budget | \$18,749.99 |  |  |
|                          |             |  |  |
| Direct Labor             | \$7,841.04  |  |  |
| Other Direct Costs       | \$4,000.00  |  |  |
| Leave                    | \$1,547.52  |  |  |
| Fringe Benefits          | \$2,781.36  |  |  |
| Indirect Costs           | \$2,580.07  |  |  |

#### 2.6 <u>625: Services</u>

The AGENCY will provide planning assistance, data, and reports to individuals/organizations involved in community development, planning, and implementation activities as related to transportation. Specific services to be provided by the AGENCY are summarized in the following table:

| Activity   | Agency/Agencies                   | Schedule        | Deliverable   |
|--|-----------------------------------|-----------------|---|
| Road Safety Audits   | OMEGA, ODOT,<br>Local Governments | As<br>Requested | RSA Report  |
| Traffic Counts   | OMEGA                             | As<br>Requested | Traffic<br>Count<br>Reports &<br>Data Files             |
| Pedestrian & Bicycle Counts  | OMEGA                             | As<br>Requested | Traffic<br>Count<br>Reports &<br>Data Files             |
| Crash Analysis   | OMEGA, ODOT,<br>Local Governments | As<br>Requested | Crash<br>Analysis<br>Report                             |
| Ball-Banking Curves (Curve Advisory Speed<br>Analysis)                                     | OMEGA, ODOT                       | As<br>Requested | Curve<br>Speed<br>Study<br>Report                       |
| Prepare Funding Applications   | OMEGA, Local<br>Governments       | As<br>Requested | Funding<br>Applications                                 |
| Project Management   | OMEGA, Local<br>Governments       | As<br>Requested | N/A   |
| Serve as Technical Resource on Freight to Local Governments                                | OMEGA                             | As<br>Requested | N/A   |
| Organize/Host Regional Transportation<br>Workshop: Transportation Funding<br>Opportunities | OMEGA                             | Fall 2023       | Public<br>Workshop<br>& Related<br>Handout<br>Materials |

The AGENCY will identify possible sources for funding locally sponsored transportation projects and will look for innovative ways to optimize funding for active transportation and freight projects. The AGENCY will continue to provide grant writing services and assistance for transportation system improvement projects from the following programs:

- ARC Access Road and Area Development Programs
- CDBG Allocation
- CDBG Critical Infrastructure
- County Engineers Association (CEAO)
- ODNR Clean Ohio Trails Fund
- ODNR Recreational Trails
- ODOT Municipal Bridge
- Roadwork 629
- ODOT Jobs and Commerce

- ODOT Rural Transit
- ODOT Safe Routes to Schools
- ODOT Safety
- ODOT Small Cities
- ODOT Township Sign Program
- ODOT Transportation Alternatives
- OPWC Local Transportation Improvements
- OPWC State Capital Improvement
- USDOT/FHWA Grant Programs to include the Bipartisan Infrastructure Law

#### **Budget:**

| Fund Type                | Amount      |
|--------------------------|-------------|
| Federal Funds            | \$24,691.91 |
| State Funds              | \$3,086.49  |
| OMEGA (Local Matching)   | \$3,086.49  |
| Total Subcategory Budget | \$30,864.88 |
|                          |             |
| Direct Labor             | \$14,589.60 |
| Other Direct Costs       | \$3,420.00  |
| Leave                    | \$2,879.42  |
| Fringe Benefits          | \$5,175.20  |
| Indirect Costs           | \$4,800.66  |

#### 2.7 630: Participation in Statewide Planning

AGENCY will provide assistance to ODOT in the development of statewide transportation planning activities. This assistance has included participation in the Ohio Association of Regional Councils (OARC) Transportation Directors and Transportation Safety Planning Subcommittee meetings, Rural Intercity Bus Advisory Committee (RIBAC), Access Ohio 2045, Ohio Public Transit Association, and other statewide planning initiatives to include Walk Bike Ohio, Transport Ohio, and Drive Ohio.

In SFY 2024, the AGENCY will focus on assisting ODOT with the implementation of Access Ohio 2045 especially as related to the strategies and initiatives developed to focus on the five themes: Safe, Smart, Connected, Collaborative, and Community Oriented. Several of these statewide strategies and initiatives also coincide with the AGENCY's initiatives including but not limited to: safety initiatives leading to zero transportation deaths and injuries; maintaining transportation networks in a state of good repair; making highway right of way assets available to close gaps in broadband and cell service; developing multi-modal corridor plans that consider local land use and economic development; develop new and expand existing transportation partnerships; collaborative initiatives to develop sustainable funding strategies; prioritization of transportation system improvements which grow the economy and improve access to jobs; increase opportunities for local investments in

transit; promote accessibility and mobility for an aging population and persons with disabilities; enhance regional coordination of public transit and human service transportation; advance mobility as a service; and advancing safe walking and bicycling.

| Activity  | Agency/Agencies                                   | Schedule | Deliverable |
|---|---|----------|-------------|
| Access Ohio 2045: Participation in implementation of Access Ohio 2045   | OMEGA, ODOT,<br>MPOs/RTPOs, Other<br>Stakeholders | Ongoing  | N/A         |
| Transportation Committees/Groups: Participation in committees and work groups led by ODOT for transportation planning- related activities | OMEGA, ODOT,<br>OARC, ORCO                        | Ongoing  | N/A         |

#### **Budget:**

| Fund Type                | Amount      |
|--------------------------|-------------|
| Federal Funds            | \$12,283.42 |
| State Funds              | \$1,535.43  |
| OMEGA (Local Matching)   | \$1,535.43  |
| Total Subcategory Budget | \$15,354.27 |
|                          |             |
| Direct Labor             | \$7,364.88  |
| Other Direct Costs       | \$1,500.00  |
| Leave                    | \$1,453.54  |
| Fringe Benefits          | \$2,612.46  |
| Indirect Costs           | \$2,423.39  |

#### 2.8 665: Special Studies

The AGENCY will participate in special studies of regional significance to include participation in the development of two highway corridors of regional significance: the US 30 Corridor and the Columbus to Pittsburgh Corridor. The AGENCY will provide technical assistance as needed for these studies which may include outreach to businesses, shippers, and freight carriers, as well as data analysis.

The AGENCY is currently a member of the stakeholder committee for the US 30 Corridor which is a four-lane highway from the western Ohio border to Canton. This corridor is a statewide highway corridor and critical to economic development of the region. This major east-west corridor also connects to the public port in Wellsville. With increased usage of the public intermodal port and the Ohio River and the ethane cracker in operation in Monaca, Pennsylvania, improvements to US 30 are becoming more urgent than ever to facilitate development and reduce transportation costs and emissions. Businesses have indicated that they currently use longer, alternative routes to avoid US 30 which leads to higher transportation costs. Stark, Carroll, and Columbiana Counties have created a Regional Transportation Improvement Project (RTIP) to complete this four-lane corridor. The AGENCY will continue to serve on the stakeholder committee, participate in RTIP meetings, and will provide technical assistance and data to support the development of this corridor.

The Columbus to Pittsburgh Corridor has also been identified as another corridor project of regional significance. During SFY 2024, the AGENCY will continue to facilitate stakeholder meetings for the development of this corridor. By 2040, sections of I-70 in Muskingum and Guernsey Counties are projected to have a Level of Service of E or F and approach a Volume to Capacity ratio of 1.0. An alternative Columbus to Pittsburgh Corridor would help to alleviate this congestion as well as support ongoing economic development in the region. With the recent Intel announcement, development of this corridor becomes even more critical to ensure the timely delivery of raw materials and finished products.

| Activity                        | Agency/Agencies                                    | Schedule        | Deliverable         |
|---------------------------------|--|-----------------|---------------------|
| US 30 RTIP                      | OMEGA  | Ongoing         | N/A                 |
| Columbus to Pittsburgh Corridor | OMEGA  | Ongoing         | N/A                 |
| Other Special Studies           | OMEGA, Local<br>Universities, Local<br>Governments | As<br>Requested | TBD, based on study |

#### **Budget:**

| Fund Type                | Amount      |
|--------------------------|-------------|
| Federal Funds            | \$9,284.15  |
| State Funds              | \$1,160.52  |
| OMEGA (Local Matching)   | \$1,160.52  |
| Total Subcategory Budget | \$11,605.19 |
|                          |             |
| Direct Labor             | \$5,956.64  |
| Other Direct Costs       | \$400.00    |
| Leave                    | \$1,175.61  |
| Fringe Benefits          | \$2,112.93  |
| Indirect Costs           | \$1,960.01  |

#### 2.9 674: Transit

The AGENCY will provide assistance to develop, monitor, analyze, and improve transit services. The OMEGA RTPO is served by seven transit agencies.

| Activity   | Agency/Agencies  | Schedule | Deliverable                       |
|--|--|----------|-----------------------------------|
| Maintain a comprehensive inventory of providers, services, & routes in the region. | OMEGA. Local<br>Transit Agencies,<br>Mobility Managers | Ongoing  | Transportation Provider Inventory |

#### **Budget:**

| Fund Type                | Amount   |
|--------------------------|----------|
| Federal Funds            | \$581.31 |
| State Funds              | \$72.66  |
| OMEGA (Local Matching)   | \$72.66  |
| Total Subcategory Budget | \$726.64 |
|                          |          |
| Direct Labor             | \$386.28 |
| Other Direct Costs       | \$0.00   |
| Leave                    | \$76.24  |
| Fringe Benefits          | \$137.02 |
| Indirect Costs           | \$127.10 |

#### 2.9.1 674924: Implementation of Regional Coordinated Transportation Pilot Program

During this period, the AGENCY will focus on continuing coordination efforts with mobility managers, transportation service providers, and human services agencies using creative solutions for increasing ridership and improving the efficiency, safety, and equity of transportation services regionally. The AGENCY will assist transportation providers and ODOT to secure funding resources for operations, maintenance, Mobility Management, and other regional needs. The AGENCY will facilitate the development of the second Regional Coordinated Public Transit/ Human Services Transportation Plan for 2024-2028. The AGENCY will also support regional initiatives for enhanced coordination, improved safety, and reducing other gaps in unmet transportation needs in the region.

The AGENCY will support the Mobility Ohio Pilot Project through the acceptance of the Mobility Ohio standards within Region 9, the coordination of services between the region's Mobility Managers and the Pilot Regional Transportation Resource Center (RTRC) and support the communication of information sharing between ODOT and the region to be consistent with the Mobility Ohio Pilot.

| Activity   | Agency/Agencies  | Schedule         | Deliverable  |
|--|--|------------------|--|
| Regional Coordination Council: Facilitate quarterly meetings   | OMEGA  | Quarterly        | N/A  |
| Steering Committee: Facilitate monthly meetings  | OMEGA  | Monthly          | N/A  |
| Regional Council of Mobility Managers: Conduct monthly meetings or conference calls to address regional coordination & best practices  | OMEGA, Mobility<br>Managers  | Monthly          | N/A  |
| Review, evaluate, and prioritize regional project list: Review, score, regionally prioritize, and provide formal recommendations of 5310 & Mobility Management Funding Applications/ Projects to ODOT as requested | OMEGA, ODOT  | Summer<br>2024   | Recommended<br>Slate of<br>Prioritized<br>Projects |
| <b>Expand Marketing of Regional Assets:</b> Promote the Region 9 Resource Guide  | OMEGA, Mobility<br>Managers  | Ongoing          | N/A  |

# **Budget:**

| Fund Type                | Amount       |
|--------------------------|--------------|
| Federal Funds            | \$111,651.73 |
| State Funds              | \$0.00       |
| OMEGA (Local Matching)   | \$0.00       |
| Total Subcategory Budget | \$111,651.73 |
|                          |              |
| Direct Labor             | \$57,757.80  |
| Other Direct Costs       | \$3,002.00   |
| Leave                    | \$11,399.16  |
| Fringe Benefits          | \$20,487.76  |
| Indirect Costs           | \$19,005.01  |

#### 2.10 697: Transportation Planning Reporting

The AGENCY will prepare reports and documents that facilitate communication of transportation related issues to the region's stakeholders. All other reports shall be included within the proper subcategories. Stakeholder engagement will also be included under this activity, as the AGENCY will involve the public and stakeholders early and throughout the course of planning activities, in accordance with the AGENCY's Public Participation Plan. The AGENCY will continue to expand our public outreach efforts through use of electronic media, development of a robust transportation website, and public Involvement meetings so that at least one meeting a year will be conducted in each of the eight counties in the region. In addition, the AGENCY will meet with the elected officials and other local officials from the region to review the pertinent transportation/land use data, to discuss the technical services that the AGENCY offers (i.e., traffic counts, grant writing services), statewide transportation planning initiatives, and most importantly to better define their transportation needs and how to assist them in meeting those needs. The AGENCY will conduct Transportation Advisory Committee (TAC) meetings quarterly and continue to have at least seven Executive Board meetings per year. The AGENCY will facilitate two Citizens Advisory Board meetings.

Under this work item, the Agency will also review and update, if needed, the AGENCY's Title VI plan. The AGENCY will also review and update the Public Participation Plan and develop a new Environmental Justice Plan.

| Activity  | Agency/Agencies                        | Schedule                      | Deliverable                                |
|---|--|-------------------------------|--|

# Budget:

| Fund Type                | Amount      |
|--------------------------|-------------|
| Federal Funds            | \$40,554.13 |
| State Funds              | \$5,069.27  |
| OMEGA (Local Matching)   | \$5,069.27  |
| Total Subcategory Budget | \$50,692.66 |
|                          |             |
| Direct Labor             | \$26,044.32 |
| Other Direct Costs       | \$1,700.00  |
| Leave                    | \$5,140.14  |
| Fringe Benefits          | \$9,238.40  |
| Indirect Costs           | \$8,569.80  |

## 3.0 Budget

The AGENCY's RTPO budget for SFY 2024 is \$276,271.61. This program (PID 114263) is funded through the Federal Highway Administration (80%), ODOT (10%), and the AGENCY (10%). Program expenses will be categorized as Direct Labor, Other Direct Costs, Leave, Fringe Benefits, or Indirect Costs, as defined by the AGENCY's Cost Allocation Plan. Additionally, the AGENCY will maintain a cost accounting system sufficient to comply with 2 CFR 200. The attached Budget Sheets (Exhibit B) show the estimated hours and budget associated with each invoicing category for SFY 2024.

The total estimated hours and budget are as follows:

| Description         | SFY 2024 Totals |
|---------------------|-----------------|
| Hours               | 4,820           |
| Direct Labor        | \$139,837.28    |
| Direct Costs        | \$13,220.00     |
| Leave               | \$27,598.48     |
| Fringe Benefits     | \$49,602.86     |
| Indirect Costs      | \$46,012.99     |
| Total Annual Budget | \$276,272.61    |

The AGENCY's Coordinated Public Transit Human Services Transportation Pilot Program budget for SFY 2024 is \$111,662.73. This program (PID 110349) is funded 100% through the Federal Highway Administration. Program expenses will be categorized as Direct Labor, Other Direct Costs, Leave, Fringe Benefits, or Indirect Costs, as defined by OMEGA's approved Cost Allocation Plan. Additionally, the AGENCY will maintain a cost accounting system sufficient to comply with 2 CFR 200. The attached Budget Sheets (Exhibit C) show the estimated hours and budget for SFY 2024.

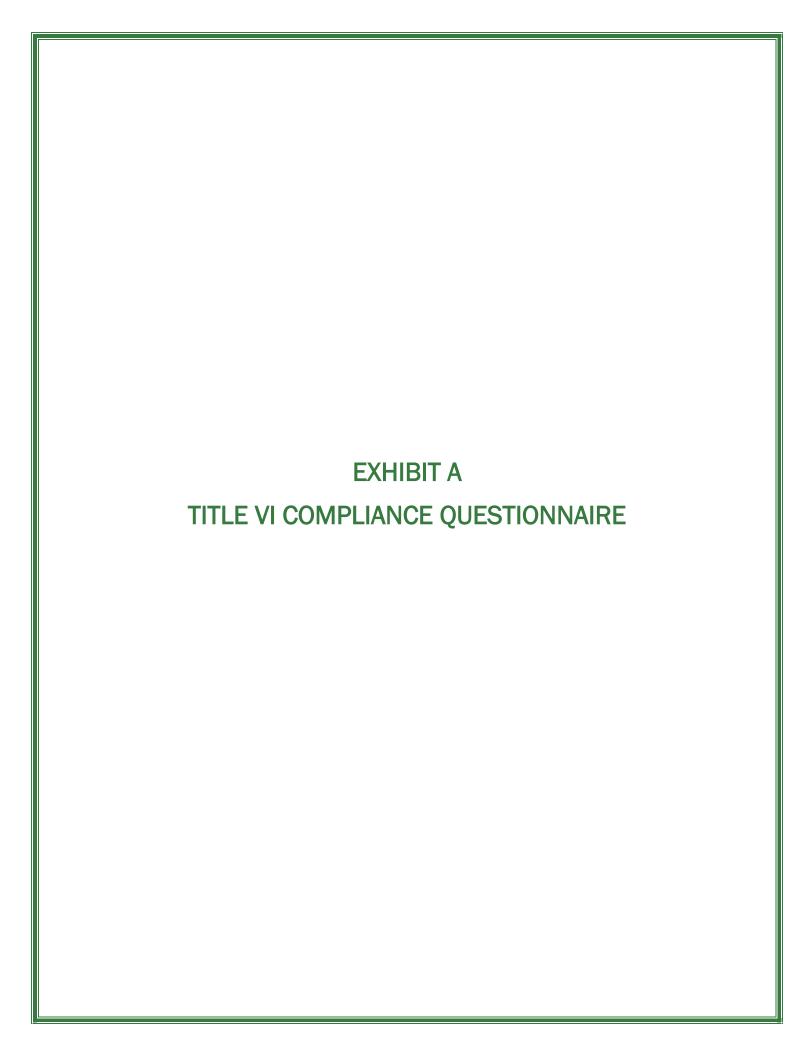

The total estimated hours and budget are as follows:

| Description         | SFY 2024 Totals |
|---------------------|-----------------|
| Hours               | 2,092           |
| Direct Labor        | \$57,757.80     |
| Direct Costs        | \$3,002.00      |
| Leave               | \$11,399.16     |
| Fringe Benefits     | \$20,487.76     |
| Indirect Costs      | \$19,005.01     |
| Total Annual Budget | \$111,651.73    |

The AGENCY's budget is based upon the 2024 Cost Allocation Plan that was submitted to ODOT on February 28, 2023. The AGENCY's budgets for both the RTPO and the Regional Coordinated Human Services Transportation Pilot Programs are based upon the leave, fringe benefit, and indirect cost rates that are documented in the 2024 Cost Allocation Plan. For budgetary purposes, these rates are:

Leave Rate: 19.74%Fringe Benefit Rate: 29.63%Indirect Cost Rate: 27.48%

As defined in the Grants Management Systems (GMS) Accounting Software, the fringe benefit rate is equal to the total fringe benefit cost (excluding leave) divided by total salary costs (including leave). The indirect rate is equal to the total indirect costs (salary, leave, and other indirect expenses) divided by total direct labor (including leave). Actual leave, fringe benefit, and indirect cost rates are updated monthly based upon costs incurred to date by the accounting software. Invoices will be based upon the updated actual rates and the rates listed herein are for budgetary purposes only.

# TITLE VI COMPLIANCE QUESTIONNAIRE

# METROPOLITAN PLANNING ORGANIZATIONS (MPOS) & REGIONAL TRANSPORTATION PLANNING ORGANIZATIONS (RTPOS)

#### General

Which office within your organization has lead responsibility for Title VI compliance?

OMEGA currently has eleven full-time employees and only has one office. There is no designated office within the organization with lead responsibility for Title VI compliance.

2. Who is your designated Title VI Coordinator? Please provide the person's name, title and contact information.

Jeannette M. Wierzbicki, P.E. Executive Director Ohio Mid-Eastern Governments Association jeannettew@omegadistrict.org (740) 439-4471, Ext. 204

3. Does your organization have a Title VI Program Plan? If so, please provide the website link or attach a copy.

OMEGA's Title VI Plan is available at <a href="https://omegadistrict.org/wp-content/uploads/2020/03/OMEGA-Title-VI-Plan.pdf">https://omegadistrict.org/wp-content/uploads/2020/03/OMEGA-Title-VI-Plan.pdf</a>

4. Does your organization have a Title VI policy? If so, please provide the website link or attach a copy.

OMEGA's Title VI Policy is incorporated in the plan and is available at <a href="https://omegadistrict.org/wp-content/uploads/2020/03/OMEGA-Title-VI-Plan.pdf">https://omegadistrict.org/wp-content/uploads/2020/03/OMEGA-Title-VI-Plan.pdf</a>

5. Does your organization have written Title VI complaint procedures? If so, please provide the website link or attach a copy.

OMEGA's Title VI complaint procedure and form is available at <a href="https://omegadistrict.org/wp-content/uploads/2019/12/OMEGA-Title-VI-Procedures-Form.pdf">https://omegadistrict.org/wp-content/uploads/2019/12/OMEGA-Title-VI-Procedures-Form.pdf</a>

6. Does your organization have a Title VI complaint form? If so, please provide the website link or attach a copy.

OMEGA's Title VI complaint procedure and form is available at <a href="https://omegadistrict.org/wp-content/uploads/2019/12/OMEGA-Title-VI-Procedures-Form.pdf">https://omegadistrict.org/wp-content/uploads/2019/12/OMEGA-Title-VI-Procedures-Form.pdf</a>

7. Does your organization make the public aware of the right to file a complaint? If so, describe how this is accomplished.

OMEGA's complaint procedure and form are posted on our website and moving forward, OMEGA will also provide a brief overview of the complaint procedure at public meetings associated with our transportation program.

8. In the past three years, has your organization been named in any Title VI and/or other discrimination complaints or lawsuits? If so, please provide the date the action was filed, a brief description of the allegations and the current status of the complaint or lawsuit. Describe any Title VI-related deficiencies that were identified and the efforts taken to resolve those deficiencies.

During the past three years, OMEGA has not been named in any Title VI and/or other discrimination complaints or lawsuits.

9. Has your organization provided written Title VI Assurances to ODOT? Is the Title VI Assurance included in the MPO self-certification resolution (Note, this only applies to MPOs, RTPOs do not approve self-certification resolutions)? If so, please provide a copy as an attachment.

Not Applicable. OMEGA is a RTPO.

10. Does your contract language include Title VI and other non-discrimination assurances?

Title VI and other non-discrimination assurances are included in OMEGA's Purchasing and Procurement Policy and will be included in any contracts executed by OMEGA that are funded by the Department of Transportation.

- 11. Do you use any of the following methods to disseminate Title VI information to the public (select all that apply):
  - i. Title VI posters in public buildings
  - ii. Title VI brochures at public events
  - iii. Title VI complaint forms in public buildings
  - iv. Title VI complaint forms at public events
  - v. Title VI policy posted on your website
  - vi. Title VI Program Plan posted on your website
  - vii. Other (Please explain)

The Title VI plan, complaint procedures and form are available on our website, <a href="https://omegadistrict.org/wp-content/uploads/2020/03/OMEGA-Title-VI-Plan.pdf">https://omegadistrict.org/wp-content/uploads/2020/03/OMEGA-Title-VI-Plan.pdf</a> and <a href="https://omegadistrict.org/wp-content/uploads/2019/12/OMEGA-Title-VI-Procedures-Form.pdf">https://omegadistrict.org/wp-content/uploads/2019/12/OMEGA-Title-VI-Procedures-Form.pdf</a>. As previously indicated, OMEGA will also discuss our Title VI program and complaint procedures at public meetings for our transportation program. We will also make our Transportation Advisory Committee, Regional Coordinated Council, and Citizens Advisory Board aware of the Title VI information.

#### **Public Involvement**

12. Does your organization have a Public Participation Plan? If so, please provide the website link or attach a copy. When was the Public Participation Plan most recently updated?

OMEGA's public participation plan was updated in November 2019 and incorporated as Exhibit B to our Title VI Plan <a href="https://omegadistrict.org/wp-content/uploads/2020/03/OMEGA-Title-VI-Plan.pdf">https://omegadistrict.org/wp-content/uploads/2020/03/OMEGA-Title-VI-Plan.pdf</a>

- 13. Please select which of the following outlets your organization uses to provide notices to different population groups (select all that apply):
  - i. Neighborhood and community paper advertisements
  - ii. Community radio station announcements
  - iii. Church and community event outreach
  - iv. Targeted fliers distributed in particular neighborhoods
  - v. Other (Please explain)

OMEGA provides public notices to the local media (radio and newspaper) and also posts the notices to our website. Social media is also used to provide these notices. In addition to these outlets, OMEGA provides e-mail notifications of public meetings to our Executive Board, Members, Transportation Advisory Committee, Steering Committee, Regional Coordinated Council, and others.

14. Do you coordinate with local community groups to facilitate outreach to minorities and low-income populations? If so, please list groups.

For the development of the Safe Routes to School Travel Plan for the Dover City School District, OMEGA coordinated with the Latino Cultural Connections of Tuscarawas County and will coordinate with other organizations as needed to facilitate communications.

- 15. Do you take the following into consideration when identifying a public meeting location (select all that apply):
  - i. Parking
  - ii. Accessibility by public transportation
  - iii. Meeting times
  - iv. Existence of ADA ramps
  - v. Familiarity of community with meeting location

OMEGA considers all these factors when identifying a public meeting location. Many of the public meetings conducted by OMEGA have been at local libraries or schools or other public venues that are accessible. Please note that one of the counties in the OMEGA RTPO is not served by public transportation and many transit agencies in the region do not offer evening or weekend service. Due to the pandemic, all OMEGA meetings held prior to July 1, 2022, were conducted virtually. After July 1, 2022, we returned to in person meetings. Future public meetings will most likely be a hybrid offering both in-person and virtual options. As demonstrated during the pandemic, the virtual option reaches a much wider audience and allows for greater participation.

16. Have meeting participants requested special assistance (e.g., interpretation services) ahead of any public event in the past year? If so, describe how the request was addressed.

OMEGA has not received any requests for special assistance ahead of any public event in the past year.

#### Limited English Proficiency (LEP) and Language Assistance

17. Are you familiar with the LEP four-factor analysis methodology?

Yes, based upon the training (February 21, 2018) provided by ODOT for the RTPOs.

18. Are you familiar with the LEP language assistance Safe Harbor threshold?

Yes, based upon the training (February 21, 2018) provided by ODOT for the RTPOs.

19. Does your organization have an LEP Plan and/or a Language Assistance Plan (LAP)? If so, please provide the website link or attach a copy.

OMEGA does not have an LEP Plan or Language Assistance Plan; however, we have addressed outreach to those with Limited English Proficiency in our Title VI plan.

20. Has your organization identified vital documents that need to be made available in languages other than English? If so, describe how that need is being addressed.

To date, the only documents that has been made available in languages other than English was a parent survey for a Safe Routes to School Travel Plan for the Dover City School District with a relatively high concentration of Latino/Hispanic students as well as the Regional Survey of Unmet Needs that we conducted as part of the annual update to our Regional Coordinated Public Transit Human Services Transportation Plan.

21. Do you have a list of staff who speak languages other than English?

OMEGA does not have a list of staff who speak languages other than English.

22. Do you provide free translation services in languages other than English to the public upon request?

Although we have not received any requests for language assistance, OMEGA will provide free translation services upon request. Our website includes a Google-based translation plugin so that a person with limited English proficiency will be able to translate webpages and documents.

23. How often do you receive requests for language assistance?

OMEGA has not received any requests for language assistance.

#### **Title VI Training**

- 24. Who provides Title VI training to your staff?
  - i. ODOT staff
  - ii. Title VI Coordinator
  - iii. Other (Please explain)

Staff training has been limited to that provided by ODOT.

25. How often are Title VI trainings conducted?

OMEGA has not conducted any Title VI trainings.

26. How many staff were trained on Title VI this year?

None.

Transportation Planning Program - Data Collection and Analysis

27. Does your agency maintain documentation describing its procedures for incorporating Title VI requirements into the region's transportation planning program?

These procedures are documented in the Title VI Plan.

28. Does your organization maintain socio-demographic data and mapping for the transportation planning region?

OMEGA maintains socio-demographic data and mapping for the RTPO.

29. Does your organization use data to identify protected groups for consideration in the planning process?

OMEGA uses demographic and socio-economic census data to identify protected groups for consideration in the transportation planning process.

30. Does your organization conduct Transportation Plan and Transportation Improvement Program environmental justice analyses of the impacts that planned transportation system investments will have on both minority (including low-income status populations) and non-minority areas? Discuss the assessment methodology and resulting documentation.

Environmental justice areas are identified in the biennial Regional Transportation Improvement Plan and the impact of the planned transportation system investments on these areas are discussed in the plan. Environmental justice areas were mapped using census data with an overlay of the planned transportation system investments.

31. Does your organization track demographic information of participants in its transportation planning program public involvement events?

OMEGA maintains attendance lists for all public meetings. However, OMEGA does not track demographic information of the participants in these meetings.

#### **Technical Assistance**

32. Provide the name, title, and contact information for the person who completed this questionnaire and the date the questionnaire was completed. Is this the person who should be contacted with

follow-up questions? If not, please provide the name, title, and contact information for that individual.

Ms. Jeannette M. Wierzbicki, P.E. completed this questionnaire. Any questions or comments should be directed to Ms. Wierzbicki and her contact information is:

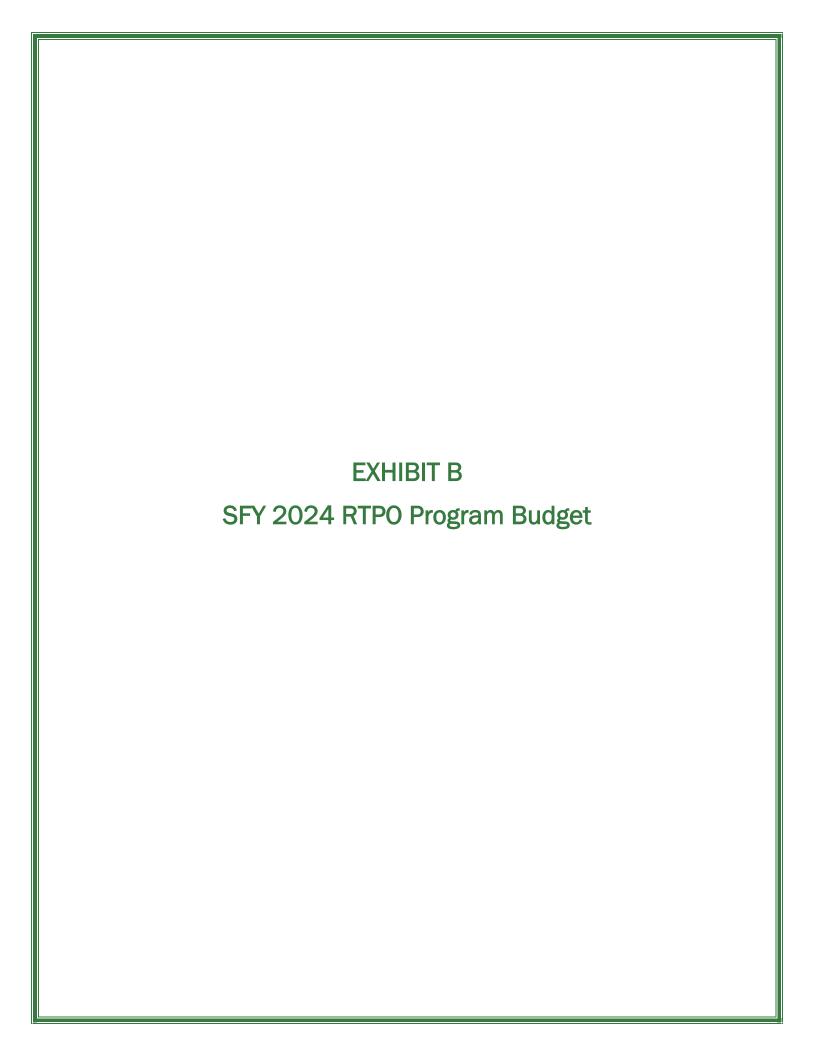

Jeannette M. Wierzbicki, P.E.
Executive Director
Ohio Mid-Eastern Governments Association
326 Highland Avenue, Suite B
Cambridge, OH 43725
jeannettew@omegadistrict.org
(740) 439-4471, ext. 204 (office)
(740) 680-0299 (cell)

33. Do you have any questions regarding this questionnaire? If so, please include them here along with your email address or telephone number and an ODOT representative will respond.

OMEGA does not have any questions regarding this questionnaire.

34. Would your organization like Title VI training or other Civil Rights technical assistance from ODOT? If yes, please explain.

Guidance for engaging the public to participate in the transportation planning process would also be appreciated. OMEGA would also appreciate additional staff training from ODOT on Title VI.

#### NOTES:

- (1) In accordance with OMEGA's Cost Allocation Plan, the Fringe Benefit Rate is equal to the total fringe benefit cost (excluding leave) divided by total salary costs (including leave).
- (2) In accordance with OMEGA's Cost Allocation Plan, the Indirect Cost Rate is equal to the total indirect costs (salary, leave, fringe benefits, and other indirect costs) divided by total direct labor (including leave).

#### NOTES:

- (1) In accordance with OMEGA's Cost Allocation Plan, the Fringe Benefit Rate is equal to the total fringe benefit cost (excluding leave) divided by total salary costs (including leave).
- In accordance with OMEGA's Cost Allocation Plan, the Indirect Cost Rate is equal to the total indirect costs (salary, leave, fringe benefits, and other indirect costs) divided by total direct labor (including leave).
