Signed Regional Coordinated Plan Signature Pages &
Memorandum of Understanding

The Regional Coordinated Council and all stakeholders were given the opportunity to sign the OMEGA Regional Coordinated Council Signature Page. Their signatures represent their agency's support for the Regional Coordinated Plan as well as recommending the OMEGA Executive Board to adopt the plan. The plan adoption is not a financial commitment, but it does make public transit and human service transportation agencies eligible to receive Section 5310/5311 funding in conjunction with the Regional Coordinated Plan.

These are the signatures recorded supporting the adoption of the "OMEGA Regional Coordinated Public Transit/Human Services Transportation Plan, 2019-2022". These are the signature pages for each agency.

The Memorandum of Understanding (MOU) is for any Transportation Service Provider in the region that will continue to operate as part of the regional coordination. This does not commit any transportation service provider financially. As stated in the MOU in **Appendix I**, *“Each participating agency will continue to operate independently, and this MOU will not interfere or interrupt the agency’s service. This MOU will allow the local agencies to work across jurisdictional borders to coordinate transportation services for public transit and human services transportation.”*

These are the MOU signatures for each agency.
