**Table 1: Organizational Characteristics**

Agency Name	Directly Operates Transportation (Yes/No)	Purchases Transportation from Another Agency (if Yes, Who?)	Legal Authority (Private Non-Profit, Private For-Profit, Public Non-Profit)	Number of Annual One-Way Passenger Trips	Average Number Trip Denials per Week	Are Vehicles Only Available for Human Service Agency Clients (Y/N)*
Harrison County Senior Center	No	No	No	1800 for 2021	2	No

\* Answering "Yes" indicates that your agency is closed door. Your agency is considered closed door if you ONLY provide transportation to your facility as a courtesy or if you ONLY serve a particular clientele enrolled in your agency programs (i.e. members of a sheltered workshop, or residents in a nursing home). Answering "No" indicates that your agency is open door. This means the service is open to the public or a segment of the general public defined by age, disability, or low income. For example, if an agency provides general transportation for anyone in the community who is over the age

of 60, they are considered “open door.” For example, an individual who is 60 or over can request transportation to a doctor’s appointment or the grocery store regardless of their affiliation with your agency.

The participating organizations provide a wide range of transportation including fixed route, ADA paratransit, demand response, on demand, and human service agency fixed routes. One of the participating organizations provides services on weekdays. Zero operate transportation on Saturdays and Zero on Sundays. Evening services after 5:00pm are operated by zero organizations.
