**Notes:** *The plans listed above will need updated to remain eligible for future rounds of funding. OMEGA is currently working on rewrite of Zanesville City STP.*

# Transportation Alternatives Program

- Carbon Reduction component added
  - Only rural communities with 4,999 or less are eligible
  - If deemed a Carbon Reduction project, construction and construction engineering (CE) covered **100%**
  - Otherwise, it's 95/5 for construction/CE and 100% local for Design, Environmental, and ROW
- Letters of Interest due in Autumn, but we can help develop/scope a project any time and prepare for next round

# Township Sign Grant Program

- New for 2023
  - Any township that has not yet been funded under this program
  - Awards based on crash data from 2017-2021
    - High severity and/or high volume will be awarded first
  - Up to \$50,000 in materials (signs, posts, hardware)
  - OMEGA Assistance, provided on a first come, first served basis
    - Sign inventory, with updated GIS map and spreadsheet provided
    - Curve Studies (for advisory speeds)
    - Application Preparation/Submission
  - Villages within eligible townships are also eligible
  - Applications available Spring 2023

\*Draft guidance is based upon discussions with ODOT concerning changes to the program and may be subject to change.
